BRUNO RODRÍGUEZ SEPÚLVEDA

CentraleSupélec student in a gap year

French, Spanish and English fluency
bruno-german-rodriguez-sepulveda
bruno.rodriguez@student-cs.fr

EDUCATION

École CentraleSupélec - Paris Saclay University

BS + MS in Engineering

September 2019 – June 2023 | Paris, France

University of Chile

BS in Computer Science

March 2017 – June 2019 | Santiago, Chile

EXPERIENCE

Data Scientist

Premialab

July 2021 – December 2021 | Paris, France

- Foreign exchange hedging simulations
- API integration for financial data retrieval

Research Assistantship

MICS Laboratory

November 2019 – July 2021 | Gif-sur-Yvette, France

- Numerical resolution of partial differential equations
- Artificial neural networks, neural operators

Teaching Assistant

University of Chile

2018-2019 | Santiago, Chile

- Newtonian physics (2018)
- Algorithms and Data Structures (2018, 2019)

CHALLENGES

Hackathon

Facebook

2017, 2018 | Santiago

- Facebook bot to match board game players
- Social network based on geo-proximity

Academic Olympiads

Chile

- National Maths Championship by teams (gold 2015, gold 2016)
- Math Olympiads (silver 2015, bronze 2016)
- Physics Olympiads (silver 2015)

SKILLS

Programming languages & others

- C++, Java, Python, HTML, CSS, JavaScript
- SQL, JSON, Docker, Solidity
- LaTeX

Machine Learning

- Tensorflow, Pytorch, Scikit-Learn
- Classification models, supervised learning
- High dimessional regressions

Leadership

- Project Leader *Sustainable cities - Fight against desertification*
- International relations - DzaritmiK

Pedagogy

- Physics and computer science courses for university students
- Mathematics courses for high school students
- Music workshops for primary students

COURSES

International summer school

Beihang University

June 2019 | Beijing, China

- Theory and applications of machine learning
- Digital visual information processing

Blockchain Workshops

Consensys

2018 | Santiago, Chile

- Cryptography for blockchain
- Smart contracts with Solidity

Summer Camp in Competitive Programming

ProgcompCL

2016, 2017 | La Serena, Chile

- Advanced algorithms and data structures

BAYER KIMLU

Ciencia Joven

2016 | Chiloé Island, Chile

- Science and leadership Camp
- Development of scientific reasoning

INTERESTS

Education | Cryptography | Deep Learning | Alto Saxophone | Volley | Running
